- 2) As you think of your life, are there things in your past that keep you from moving forward? How does the truth of Jesus' resurrection enable us to deal with our past?

- 3) What are some present realities in your life in which you need God's power to overcome? What does it mean that the same power that raised Jesus from death is now at work in the life of each believer?

- 4) When you think of death are you filled with fear or hope? How does Jesus' promise of being raised up like him give you hope as you face your future? From your understanding of the scriptures, what will it be like to personally experience resurrection?
