3) Do you agree that we are often tempted to conform Jesus to our image and ideas of who we want him to be? How have you witnessed this? What happens when we see Jesus as he truly is?

4) As you look over the attributes of Jesus being revealed in this passage, which one stands out for you? What does this reveal about the person of Christ? What response does this call for as you walk with Christ?

5) In today's passage we see the churches represented as lampstands. What is the significance of this image, what does it mean for a church to be a light?
